

Snow Removal: Roy Dawes is interested in buying a truck. Mike Jackson has a 1960 dump truck that he is no longer using and would like to donate it to the association. Larry Poe will generate a donation receipt for Jackson's tax returns. Roy Dawes has a 12-foot snow plow that may work on the truck.

Wayne Deckard: Do we want to host a party or dinner for association next summer?

Fly In: Wayne Deckard says that we need more people to keep the club active. PR will help keep the airport open. Andy Henderson is more favorable to keeping the airport open. Field is ideal for sport aviation. A theme is needed for the party.

Bill Wilson suggested a theme of Affordable Flying. The general consensus was that Affordable Flying would be acceptable.

Wayne Deckard: We have a \$1 million insurance policy; we can raise the limits. The rate will come down at one year if no claims are made. We should get some event insurance. The association should consider partnering with Chapter 1311 or the Civil Air Patrol.

Wayne Deckard: Party goal should be to get the local non-aviation people here to see if they can afford flying and take civic ownership of the field.

Wayne Deckard: Volunteers are needed for organizing the event. Wayne Deckard will chair the event.

Larry Poe will contact his Ultralight club for participation; Michael Mossman will contact EAA Chapter 1311; Chuck Leucht will contact his model RC club; Jack Snyder will contact the Civil Air Patrol

**Wayne Deckard motioned for the association to pay for fuel for flying non-pilots at the event; Michael Mossman seconded. Motion passed by voice vote.**

Bill Wilson can good publicity for the event; Michael Mossman will assist and contact local factories for publicity.

The event is scheduled for Saturday, June 18.

We might try holding clinics for low cost flying: Sport Pilot Clinic, Ultralight clinic, partnership clinic, etc.

Wayne will generate suggestion lists for the party.

Pilots are needed for giving the free rides.

Financial Report: Larry Poe says that in December the last month we received \$2,765 in rents, bills paid were the \$1,240, leaving an account balance of \$6,599.

**Michael Mossman motioned that the association buy heavy duty ladders for fueling airplanes and general maintenance; Wayne Deckard seconded. Motion passed by voice vote.**

**Wayne Deckard motioned that the association buy CO2 fire extinguishers for the hangars; XX(?) seconded. Motion passed by voice vote.**

After the meeting was concluded those present enjoyed some vegetable beef soup prepared by Wayne Deckard.

Minutes respectfully submitted,

Michael D. Mossman  
Association Secretary
