Randy and Jennifer Shrewsberry
Chad and Danielle Williams

Meeting called to order by Wayne Deckard

Wayne Deckard: Our fuel tanks are now inspected and fixed, and the fuel monitoring system is now operational. Due to the cost of the inspections and a new system, we will have separate checks for the dinner tonight. Otherwise, financially, we are in good shape. We will be making plans for our summer open house at the February meeting.

Minutes respectfully submitted by Michael Mossman, Association Secretary
